

K12 TECHNOLOGY POSITIONS

MORE

BENEFITS, CHALLENGES, & IMPACT

THAN YOU IMAGINED.

WHY CONSIDER EDTECH?

Salary

Varies by System, but often competitive with private sector, especially when benefits are calculated in.

Vacation

- 240 day work year*
- Paid vacation
- 2 personal days per year

*Some, but not all, school holidays off

Insurance

- Great coverage via PEEHIP
- \$307/mo family coverage, \$30/mo single coverage
- 12 sick days per year

Retirement

TRS, a defined benefit program you can count on.

Location

There are school systems in every county of Alabama. City living, country living, take your pick.

There's nothing elementary about school technology.

EdTech departments manage more technology, with a greater variety of hardware, software, and users than medium-sized businesses.

Local and wide area networks serve hundreds to tens of thousands of devices and users.

And all to meet an essential and challenging mission -

Support and Improve teaching and learning.

JOB POSTINGS

Visit school system websites* and search 'classified' positions at the AL State Dept. of Education job website:

<https://bit.ly/ALK12ITJOBS>

*Not all school systems post IT jobs to the ALSDE website.
